Good Afternoon:

See enclosed product.

Note that we'd like to use part of the time on Thursday afternoon for Minister Thibeault's briefing to go through this item as well, during the HQ timeslot.

Can someone reach out and check on OPG availability, please?

Appreciate that we have a bit of a divergence of views between IESO deck and OPG product. Let's encourage the agencies to find common ground before Minister's Briefing next week, please?

Many thanks, in advance.
