Good Afternoon:

Please note that we also recommended to MergeCo in the reply going out today from Minister Thibeault to meet with Ed on this piece in the new year.

FYI : Deputy Imbrogno and I are due to meet with MergeCo on Monday 19 December as well.

Hope that you are keeping well.

Subject: LDC Tax Issues...

Good Afternoon:

Please find enclosed inbound and recently executed reply from Minister Thibeault to CEOs of MergeCo / Brampton Hydro entity regarding ongoing tax treatment concerns.

We tend to continue to revisit this piece and may become part of the planning discussions for the rate mitigation / consolidation file once again; but we held off responding to them until after the Ontario Energy Board ruled on their merger application (approved last week).

Anyway, probably makes some sense to review this item in the new year; for your consideration.

Please let Matt or I know if you should have any further questions or concerns.

Many thanks, in advance.
