Hi Andrew,

Attached is the revised multi-ministry deck, with revisions to the timeline slide. If you're comfortable with the deck, we can circulate it around to the other ministries.

Hi Andrew,

Attached is a draft of the presentation for the LTEP multi-ministry meeting. As part of this presentation, we would propose giving a demo on the story maps being created on what we heard from LTEP consultations. We could use part of next week's LTEP themes meeting to give you a demo of the story maps.

Let us know if you have any comments.
