On the OCEB liability, understand this is a convenient vehicle, but I also worry about ever bringing the two into the same conversation.

Hi Dan,

Please find attached a draft of the proposed legislation, as well as the compendium. We have to lock the legislation down by noon tomorrow.

Let us know if you have any questions or changes by tomorrow morning.

Thanks,
Hillary

Hi Dan,

Please find attached a first draft of the Cabinet minute for the rate mitigation piece.

Given direction from MO this morning on the legislation, to add in language around the OCEB liability, a new turn of the legislation will be ready tomorrow morning.

Let us know if you have any questions.

Thanks,
Hillary
