Good Afternoon:

Formally and with much respect and admiration - please accept my most humble and sincere congratulations.

Chiarelli and now Thibeault have been the lucky recipients of your guidance and advice as LSB Director. This expands your remit but maintains your involvement and reach at Energy.

After nearly five years in this job, I can honestly say this was perhaps the smartest and best decision Serge has ever made!

Congrats again!

Andrew

I am pleased to announce that Carolyn Calwell has accepted the position of Assistant Deputy of Minister of the Strategic, Network and Agency Policy Division, on an Acting basis, effective Tuesday, September 5th.
