Hi.

Wondering if staff are reviewing this report / recommendations and specifically the numbers?

They got on the dance card for P+M for Friday afternoon. Which is great, but I'm concerned that it might become 'battle of the numbers'. So, I'm going to prepare Minister to have more of a values / conceptual discussion but would be helpful if you had someone figure out their numbers / draft reduction on slides 9/10. Might be impossible or silly, in advance of Friday, so well, just let me know how far we can take this review.

Priority on our main assignments, please.
