Subject: Meeting Follow-up

Mary,

Thank you for taking the time to meet yesterday, I enjoyed our conversation. Attached please find a slide deck touching on a few of the electrification issues we covered in our conversation. I thought you might find some of the information useful as you consider the path forward for Ontario. As we discussed, OPG has substantial capability and interest in the area and is ready to support development and implementation of a range of opportunities.

Best regards,

Jeff
