

Support the Ontario Fair Hydro Plan

To the Legislative Assembly of Ontario:

WHEREAS electricity prices have increased and in too many cases become unaffordable for Ontarians

WHEREAS Ontario is a prosperous province and people should never have to choose between hydro and other daily necessities

WHEREAS people want to know that hydro rate relief is on the way; that relief will go to everyone; and that relief will be lasting because it is built on significant change

WHEREAS the Ontario Fair Hydro Plan would reduce hydro bills for residential consumers, small businesses and farms by an average of 25% as part of a significant system restructuring, with increases held to the rate of inflation for the next four years.

WHEREAS the Ontario Fair Hydro Plan would provide people with low incomes and those living in rural communities with even greater reductions to their electricity bills.

We the undersigned petition the Legislative Assembly of Ontario as follows:

Support the Ontario Fair Hydro Plan and provide relief for Ontario electricity consumers as quickly as possible.

Continue working to ensure clean, reliable and affordable electricity is available for all Ontarians.
