Hi Andrew,

Attached please find a draft statement to be issued following the OEB's potential RPP update for your feedback. The statement would be issued via Newsroom posting and distributed province-wide. Colin would share with press gallery via email. In terms of timing, the statement would go out 20 to 30 mins following the OEB announcement.

Once you provide feedback/signoff, the statement can be shared with the ministry for a fact check, followed by COPO approvals. Once we have the COPO approved version, it can be run by the Minister for his consideration. And the last steps: translation, posting and sharing with Caucus.

Thank you,

James Berry
