Good Afternoon:

Apologies for the delay, been working remotely in Ottawa today. Please find enclosed three products that would be for Monday's meetings.

- A. Candidates - Long-list for Ontario Power Generation Board
- B. Electricity Cost Shifts - Deck for review
- C. Hydro One | Next Steps - Deck for 12.30pm discussion with Minister.

A & B would be for my coffee with Ed on Monday morning and then C is what Scott's team has worked up for the lunch with Expert Investment Advisory Committee pertaining to Hydro One.

Please let me know if any issues or questions.

Take care and have a great weekend.

Andrew
