Hi there,

Well, let me tell you, I was really pleased with my Hydro bill this month...for the **FIRST TIME EVER!**

The amount is what it should be. I am paying for the actual hydro my family used and you removed the delivery fee. This is amazing. I hope it stays that way.

I've been struggling for years every month to pay this bill. In the past, it has sometimes been as high as a car payment or a mortgage payment. I am a single mom of two and I have been struggling all the time. This month's bill is a huge relief... and I do hope it stays this way.

Thank you,
