Hi,

We now understand that TBS is likely to profile the ENERGY decisions as part of their report in on TB/MBC meetings, so this changes the nature of the invitation.

Our advice is to have the DM or an ADM on hand, along with a political staffer, for the TB/MBC report. This is standard for TB/MBC profile items – we request staff on hand in case there are questions, but won't bring them in unless they are needed.

Sign in time now adjusts to 1:40.

Thanks
