Good Afternoon:

Have asked for more work to be done, and the option I was referencing on our call was page 13  
Will hope to have more updated for our Monday chat.

Good Afternoon:

I'm at the office for the next few hours if a window materializes for you.  
Alternatively, mid-day Sunday works as well.

Many thanks, in advance.

Hi.

Items moving quickly on rate mitigation. Wonder if you might have time this weekend for a quick chat; I know we are set to meet on Monday but just heard from Steve / Serge that they are meeting with you on Monday afternoon, so thinking was for me to pre-brief you this weekend to get a) early insights and b) help them best prepare for Monday.

Sorry for any broken telephone on this; but am halfway to a solution.

Andrew
