Good Afternoon:

Calendars appear to align for 1pm (Eastern) on Sunday?

Please let me know if that works and I'll distribute some call-codes.

Many thanks for accommodating my awkward and unorthodox calendar.

Good Afternoon:

Apologies for the request, but had an item materialize regarding the Ontario Fair Hydro Plan implementation, and just wanted to get your feedback and counsel.

Friday I'm out of the office at a medical appointment, so wondering if we could perhaps set a teleconference for either Saturday or Sunday. Both days, mid - afternoon works best for me, but certainly prepared to be as flexible as required.

Many thanks, in advance.
