Just a couple of things to note.

NG expansion is a live proceeding and she is happy that Future Projects is last on the agenda since items 1, 2 & 3 are fairly important and may take a bit of time to discuss

Subject: Lunch Agenda

Good Afternoon:

Subject to the Chair's concurrence - please find enclosed our proposed list for topics to discuss at the luncheon this coming Thursday.

Reminder, due to anticipated votes and post-QP scrums, we are booked for 12.30pm at the Main Legislative Assembly Dining Room, but also see that we have an update with Matt and I directly prior, so we'll be spending a fair bit of time together this Thursday.

Please let me know if anything here is either unclear or not ready / appropriate for discussion with Minister of Energy.

Take care,
