Subject: FW: MA - Rate mitigation

Hi all. Please let me know if you have any concerns/changes with the attached MA. If not, I will send it along to the ministry for CO/PO approval. This will be sent out, pending Cab approval, following the P's itinerary tomorrow afternoon.

CO asked us to pull together an MA for Thursday. They will fill in the time and location information in addition to passing on the PO for addressing the p's participation.

Attached is DMO approved. This will get issued tomorrow on newsroom.

Thanks.
