My apologies.

Apparently we do offer a French bill to those who request one. What is cost prohibitive is a French electronic bill.

Sorry for the confusion.

\*\*\* Exercise caution. This is an EXTERNAL email. DO NOT open attachments or click links from unknown senders or unexpected email. \*\*\* Okay. Do you have one that shows the "dynamic messaging" issue that would go beyond the 8% ORECA rebate, but include total bill bottom line calculus regarding OFHP, please?
