Attached is a deck on RPP. Starting on slide 10 is the content on renewing the RPP.

There is a 3-page one-pager on the topic and the Board report with the technical info.

Here's a link to our news release page. The Oct 19 announcement of no rate increase for Nov 1 has some general background on RPP if you need it.

I'm working to get more to you but this is a good start.

Subject: RPP Roadmap and Pilots...

Hi.

I'm going to spend some time this weekend on the Minister's speech for Empire Club.

Wanted to put in some content about the RPP Roadmap / Pricing Pilots work underway. Looking for :

- Examples of the problems with current system
- define success for the initiative
- process / next steps, etc.

I don't need anything new. And don't worry about sending too much. Give me decks / briefing notes / etc to sort through and then I'll take what I need.

For sake of ease, and timelines, just send to me and worry about DMO later.

Many thanks, in advance.
