Did your parents ever describe you as 'incorrigible' ?

It's a term of affection :)

Good Evening:

Please find enclosed our current draft of the Cabinet Submission for Wednesday.

Note that two slides are making their way through OPCD, so will have those landed (ideally tomorrow noon). We'd like to be able to circulate paper via ECO tomorrow to Ministers', obviously.

Also - note for the OCEB slide - and want to really maximize this with Cabinet - we did what Albanese asked for - added \$\$ to the low income 2+person homes as we move along the grid. Those appear in the "enhanced" table with circles to denote they are new. Will ensure Minister references that this was done as a result of the helpful brainstorming conversation held today.

A few more housekeeping edits (cuz I'm persnickety) will be made overnight as well.

Password remains the same.
