Appreciate that we added a teleconference. But would be ideal if folks could attend in person, please.

Subject: Products & Planning...

Good Morning:

Thinking that this group should meet again today. Hope that 5pm could be made to work for all. Been purposeful with invite here to not create too large a room, but let me know if someone else should be added.

Given where we are in planning and products, feeling that we'd want to stay connected and aligned. A meeting at 5pm would help Energy staff prep accordingly for our night shift.

Agenda:

1. Day-of Logistics and Planning
2. Stakeholder Management Plan
3. Communications Products Review
4. MPP Products Review
5. Other Business ?

We'd be pleased to host you here at Hearst Block.

Many thanks, in advance.
