Good Afternoon:

Tim, yes - I had heard and I'm so terribly sorry for your loss. Please accept my condolences to you and your entire extended family at this time.

E-mail me later this week, when you come up for air and we can sort something out. With the candidate away for March break and several steps still to go, nothing is terribly pressing for this week for us to chat, I don't think?

Take care and once again, your family is in my thoughts at this time.

Andrew

Andrew,

Sorry to be tardy in getting back to you on this. My mother passed away last Friday and the funeral is this afternoon. Can we set up a time later this week to chat. I am okay on Wed and Thurs as well as on Fri morning.

Good Morning:

I hate to hear that news about your mother - please accept my best wishes. If it makes sense, we could connect for a call on Monday mid-afternoon; say 2.30pm (eastern)?

Regarding the announcement and Ontario's Hydro Plan - our expectations have certainly been exceeded regarding how positive the initial aftermath has been. Continued vigilance required, but feels like a good first week.

Once again, please accept my best wishes at this difficult time.

Andrew,

I should be able to chat this weekend or Monday. My schedule is a bit uncertain. I am in Sydney [NS] with my siblings as my mother this week went from a nursing home to Emergency to palliative care. Although she is 93, it was still a surprise.

Notwithstanding the circumstances, we have been proceeding with the item discussed with the Minister. An offer was tendered last night and the individual will be considering it while on vacation which started today. I will be happy to bring you fully up to speed on it.

By the way, I want to thank you and the Minister for proceeding so quickly with the Board appointments. I have chatted with each of new members and we will finalize Committee designations by tomorrow. As well, orientation sessions have already been arranged.

The policy announcement last week appears to have gone well even with the expected criticisms. Congratulations!

Good Evening:

Wanted to just connect in an effort to maintain alignment on all matters related to follow up from dinner meeting with Minister Thibeault.

Wondering if perhaps you have occasion for a chat this weekend or Monday? Really just looking for a line of sight into time-lines and next steps.

Hope that you are keeping well, otherwise?

Many thanks, in advance.
