Hi.

Given the OFHP Briefing now set for 12-noon on Wednesday.

Minister's tour day is now adjusted / annulled.

Also understand the desire to revisit the Market Renewal briefing that we started last week, can we try for the following:

12-noon | OFHP (Location : TBC)

1.30 pm | IESO - Market Renewal (con't) (Location: 4th Floor Hearst Block) lets do another 90 min session.

Many thanks, in advance.
