Good Morning:

So, you'll see that we have the request for more PO/CO briefings.

This week: Quebec / Ontario Electricity Trade (coordinate with Emily, please)?

Also then : LTEP meetings for Gillian (coordinate with Di, please)?

For this week :

ADD : Landon / Andrew 1:1 (45 mins)

ADD : Gillian / Atel 1:1 (Friday, please, if possible and aim for 1 hour)

Can you work with DMO to Continue the Thursday morning "Rate Mitigation" meetings, but shorten them to 1 hour, going forward, so that we can get that half-hour back into the mix, please?

The "Shark" update can you make it 45 mins please?

MOVE : DM/CoS to another slot, it is way too jammed on Tuesday afternoon. Can you also ask them to make it 45 mins this week, please?

Many thanks, in advance.

Andrew
