Minister – please find attached a letter from the Ontario Restaurant Hotel and Motel Association (ORHMA) regarding your government's hydro rate incentives. We appreciate your efforts to provide Ontarians with a relief but we truly believe that there is not much for Ontario's Small and Mid-Sized Businesses within the hospitality sector. Please read the attached documents prepared by ORHMA. We would appreciate a meeting with you as follow up.

We look forward to working with you on this matter.

Thank you for your time and consideration.

Regards,

Leslie Smejkal
