To all, In case you didn't catch the press release from the OEB I have and have some commentary about how the OEB is colouring up the "Fair Hydro Plan" and the supposed benefits. They have done a really bad job of fulfilling one of their 5 mission statements.

You can read my views here:

PS: A year ago today my daughter was married on our property here in Prince Edward County. If they had the ceremony in the same place today the Minister and the Bride and Groom would be standing in water up to their knees.
