Wow, I knew you were planning your departure, but didn't know it was so imminent. Time moves quickly around here:).

I wish you all the best, Kim. You certainly helped us immensely during some difficult times.

Thank you for everything you've done, good luck, and I hope we have occasion to work together again.

Cheers

Scott

Scott, I think you have heard that I am leaving the IESO at the end of April. I want to thank you for all your support during the fair hydro activities. Your calmness and pragmatism saved many a moment. Much appreciated. My best friend Carol Latimer, yes we have known each other since we were babies, says wonderful things about you. I look forward to seeing how you continue to move things forward over the next several months.

It is a small world and you never know when our paths may cross again as I move into whatever my next adventure might be. I have copied my personal email as an fyi. Thanks again.
