CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] Torys and Blakes to discuss signatory on behalf of the Trust. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would propose to do the same on the change of law agreement.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**")~~[2]~~, Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust~~[3]~~[2] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.[3]

~~[2] Province needs the Trust as a party to be assured of its rights of subrogation, step-in, etc.~~

~~[3]~~[2] Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.

[3] OPG/Dealers are contemplating a complete purging of "Process Agreement" connections. Needs to be discussed.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

ARTICLE I
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

1.01 Interpretation

For all purposes of this Agreement, except as otherwise expressly provided or unless the context otherwise requires:

(a) the terms used in this Agreement that are defined in Schedule A have the meanings assigned to them in Schedule A;

(b) words importing the singular shall include the plural and vice versa, words importing general shall include all genders or the neuter, and words importing the neuter shall include all genders;

(c) all references to any Person shall include such Person's permitted successors and assigns, and any reference to a Person in a particular capacity excludes such Person in other capacities;

(d) references to any law, rule, regulation or order of a Governmental Authority (including, for greater certainty, references to the Act and the General Regulation) shall include such law, rule, regulation or order as from time to time in effect, including any amendment, modification, codification, replacement or reenactment thereof or any substitution therefor;

(e) the word "will" shall be construed to have the same meaning and effect as the word "shall". The word "or" is not exclusive;

(f) any reference to this Agreement or any other agreement, document or instrument shall be construed as a reference to this Agreement or, as the case may be, such other agreement, document or instrument as the same may have been, or may from time to time be, amended, varied, replaced, amended and restated, supplemented or otherwise modified;

(g) all references in this Agreement to designated "Articles", "Sections", "Subsections", "Schedules", "Exhibits" and other subdivisions are to the designated Articles, Sections, Subsections, Schedules, Exhibits and other subdivisions of this Agreement as originally executed. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section, Subsection, Schedule, Exhibit or other subdivision;

(h) "including" and words of similar import will be deemed to be followed by "without limitation"; and

(i) with respect to the computation of periods of time from a specified date to a later specified date, unless otherwise expressly stated, the word "from" means "from and including" and the words "to" and "until" each mean "to but excluding".

1.02 Trustee to act in accordance with the Trust Indenture

Any action taken, required to be taken or permitted to be taken by the Indenture Trustee under this Agreement shall only be taken in the manner, at the times, for the purposes, subject to the prerequisites, conditions, requirements and limitations, and with the benefits, exculpations, indemnities and protections that are provided to the Indenture Trustee, in each case in respect of such action taken, required to be taken or permitted to be taken by it under the Trust Indenture.

1.03 Proof of Approved Obligations

The efficacy of any agreement, instrument or writing evidencing a Primary Obligation may, in the absence of manifest error, be conclusively proved in any manner that the Indenture Trustee deems to be sufficient.

Any statement of account prepared by the Indenture Trustee as regards the Primary Obligations shall constitute *prima facie* evidence of the amount which, as at the date of the statement so prepared, is due and payable by the Financing Entity to the Beneficiaries and/or the Indenture Trustee and the Province hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

1.04 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised under, in accordance with and subject to the limitations set forth in the Trust Indenture[4] as of the date of this Agreement.

[4] ~~With respect to the possibility of unsanctioned amendments, the OPG proposal would allow amendments to be made in favour of bondholders to permit individual bondholders to sue the Province under this agreement. This is one circumstance that demonstrates why the Province needs the right to know about and consider all underlying amendments.~~

1.05 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 2.01 or Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

1.06 Effect of Headings

The Article and Section headings herein are for convenience only and will not affect the construction hereof.

1.07 Successors and Assigns

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not. All covenants and agreements of [the Province][4], the Indenture Trustee, the Financing Entity, the Financing Entity Trustee, the Manager or the FSM in this Agreement shall bind their respective successors, co-trustees and agents.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. **[The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.] [NTD: this is unusual. Why is it necessary in this Agreement?]**[5]

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

[4] Province to consider limitations on these sorts of forward-looking provisions.

[5] This language came from Torys' (Nina) first suggestion regarding the Process Agreement on October 20th (10:23am).

1.10 Proceedings Against the Crown Act

NOTHING IN THIS AGREEMENT OR THE PROGRAM AGREEMENTS AFFECTS THE RIGHTS, PROTECTIONS AND IMMUNITIES OF THE CROWN UNDER THE PROCEEDINGS AGAINST THE CROWN ACT.

1.11 Attornment

EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS AGREEMENT.

1.12 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.14 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the

Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term “rate of exchange” in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as Exhibit A (a “**Payment Demand**”), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the “**Limited Guarantee**”), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Payment Date:

i. Not less than [3] Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand and prior to the Assumption Effective Date, if any, (a “**Guarantee Payment Date**”)~~[5]~~,[6]~~, if any,~~[7] the Manager shall deliver a written statement, substantially in the form attached as Exhibit A.1 (a “**Guarantor Settlement Statement**”) setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date.[8]

~~5~~6 PM: Interest Payment Dates and Principal Payment Dates are set in the supplements. While the present intention is to set them on Payment Dates, there is no guarantee that will always be the case.

7 Province to consider timing of payments. The effect of the requested change is to make payments less predictable in terms of frequency.

8 Province to consider what information it needs. We had suggested (1) aggregate outstanding amount and (2) details regarding any default – but these information requirements were deleted.

ii. On each such Guarantee Payment Date, the Province shall pay the Aggregate Approved Obligations Amount [to the Indenture Trustee][9] and the [Indenture Trustee shall deposit] such amount to the Protection Account.

iii. On each such Guarantee Payment Date, the [Indenture Trustee][10] shall apply all amounts on deposit in the Protection Account to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**")~~[6]~~.

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(i) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(ii) the Province shall be paid the amount by which (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(i), exceeds the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such payments to the Province being "**Subrogation Amounts**"); and

[9] Province to consider whether amounts should be directly deposited or paid through the Indenture Trustee.
[10] Province to consider payment mechanics and consequences of relying on a covenant of the Indenture Trustee, alone.

~~[6] For example, the effect of this is that senior notes will receive cash earmarked for sub notes based on the scheduled amounts payable for sub notes. Confirm that is the intention.~~

(iii) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(ii) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts and any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the

Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account~~[7]~~[11] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the [Indenture Trustee]~~[8]~~[12] shall apply all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a)~~[9]~~. Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable

Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid~~[10]~~[13]. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the

account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03 or Section 8.02.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements~~[11]~~ and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the

~~[11] The deletion of the earlier proviso in this draft is based on the understanding that the Province will receive adequat e notices of these event under the Trust Indenture. OPG will agree not to allow any of these events without confirming to the Province under the Process Certificate that the changes are within the agreed scope of the Reviewed Documents, etc.~~

Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred.

4.02 Adherence Conditions~~[12]~~[14]

There shall be [no Adherence Conditions applicable in relation to: (i) a Primary Obligation that is not a Funding Obligation or (ii) a Primary Obligation that (x) arises under a Derivative Agreement, or (x) is a Funding Obligation that does not provide for the advance of more than $■ to the Financing Entity.] The following shall be the Adherence Conditions applicable in relation to a Primary Obligation [that is a Funding Obligation that does provide for the advance of more than $■ to the Financing Entity]:

(b) either (x) OPG delivers an officer's certificate[15] addressed to the Indenture Trustee, prior to the entering into of the related Funding Obligation Agreement, confirming that OPG has complied with its obligations to the Province in connection with the Primary Obligation, or (y) OPG has in fact

Note to Province~~/~~: OPG/Dealers is asking to discuss moving the adherence conditions to the Process Agreement while preserving Province's oversight of its obligations under the Protection Agreement.

[15] Province: OPG deleted the specific reference to the CFO/Treasurer. Other drafting issues include (1) removal of reference to the earlier of pricing or closing (2) tying to the "Funding Obligation Agreement", which may permit future incurrences without any additional documentation (meaning that the incurrence test would not apply to those further obligations (3) references to OPG having "complied with its obligations to the Province", which is an ineffective reference since external parties will have no sense of what these are and the fact that there are no relevant obligations owed to the Province under the Protection Agreement and (4) there is a circular concept that refers to actual compliance being sufficient for adherence in lieu of the external purpose of the certificate delivery requirement. Each of these issues raises potential issues for the Province, which should be discussed.

complied with its obligations to the Province in connection with the Primary Obligation; and

(c) the Province has not provided a Suspension Notice to the Indenture Trustee, the FSM and the Financing Entity in accordance with the terms of this Agreement.

For greater certainty, satisfaction of the Adherence Conditions for ~~any~~a Funding Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under, or in respect of, the Funding Obligation and the related Funding Obligation Agreement as such agreement may be amended, restated, supplemented or otherwise modified from time to time.~~[13]~~

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b)(x) in connection with an incurrence of a Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of

payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]** and (ii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.[~~14~~16]

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section 2.01.

5.03 Province May Perform Other Program Agreement Covenants.[~~15~~17]

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
NOTICE OF ASSUMPTION OF OBLIGATIONS SECURED

6.01 Delivery of Assumption Notice

Following the occurrence of a Protection Event, the Province may (but shall not be obligated to) provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of the Obligations Secured will be effective (the "**Assumption Closing Date**").

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the Assumption Closing Date.[~~17~~19]

6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under the Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

6.05 Rights in respect of the Assets Comprising the Collateral

Upon assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the Financing Entity's rights and interests under and in respect of the assets, property and undertaking comprising the Collateral and all proceeds therefrom, free and clear of any liens, encumbrances or restrictions arising under or as a result of the Trust Indenture. The Province shall have and be entitled to enforce all such rights and interests as an absolute assignee of the Financing Entity, with effect from and after the time of such assumption, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing to the Financing Entity and unaffected by any other rights, interests or equities that arise thereafter in respect of the assets, property and undertaking comprising the Collateral as between the Beneficiaries and the Financing Entity. The Indenture Trustee and the Beneficiaries shall thereupon recognize the Province as the absolute owner of the assets, property and undertaking comprising the Collateral.

ARTICLE VII
INDENTURE TRUSTEE MATTERS

7.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

7.02 Not Responsible for Recitals or Issuance of Notes

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

7.03 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Agreement and has taken all necessary action to authorize the execution, delivery and performance by it of this Agreement and other documents to which it is a party;

(c) each of this Agreement and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VIII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

8.01 Suspension Notice

A written notice in the form of Exhibit C (a "**Suspension Notice**") may be provided by the Province to the Indenture Trustee, the FSM and the Financing Entity in any of the following circumstances:

(a) following the Province becoming aware of the occurrence of a Program Breach; and

(b) following the occurrence of a Breach Event that has not been waived in writing by the Province.

[…may be provided by the Province to the Indenture Trustee, [the FSM and the Financing Entity following the Province becoming aware of the occurrence of a Program Breach.]

[NTD: the concept of Breach Event has been removed from Protection Agreement and replaced by provisions in the Process Agreement providing that upon notice of a Breach Event to OPG in the Process Agreement, OPG will not be permitted to deliver the certificate required to satisfy the Adherence Conditions. This was done to cleanse the Protection Agreement of any references to the Process Agreement but leave the Province in the same position of being able to (indirectly) suspend application of the change of law agreement to future issuances upon a Breach Event.][20]

[20] This is the OPG/Dealers proposal. Blakes recommends that this delinkage not be accepted by the Province. Further colour on this point is included in the mark-up of the relevant provisions of the Process Agreement.

8.02 Suspension

If a Suspension Notice has been provided under Section 8.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Obligation Secured incurred or amended on or after the time such Suspension Notice is delivered. For greater certainty, the rights of the Province under Article VI shall apply in respect of all Obligations Secured, including if incurred or amended on or after the time such Suspension Notice is delivered~~[18]~~.

8.03 Termination Notice

On (a) the occurrence of a Suspension Event or (b) the Assumption Effective Date, the Province may provide to the Indenture Trustee, the FSM and the Financing Entity a notice in the form of Exhibit D (a "**Termination Notice**").

8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with Article VI.

ARTICLE IX

9.04 Enurement

This Agreement will enure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.

[21] The scope of this provision needs to be explained to the Province. Any further step of this sort raises important new issues and so should be subject to Province consent. The parties acknowledge that the Province will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the Province, or any agent or representative of the Province in connection with this Agreement may be subject to disclosure in accordance with the act or as otherwise required by law.

9.06 **No Petition**
