Hi Cindy,

An invite has come in for 3:00-4:00pm this afternoon, subject is Call re Delivery of Reference Documentation to Province.

Ken Kandeepan has advised that this is a call with a number of people from MOE and MOF including legal counsel from both ministries. More information is in the body of the meeting invite, however, I have attached his email (that has the same information about the call).

Ken also requested a quick call with you before the 3:00pm, so I have scheduled that for 2:45pm.

Thanks,
Shannon
