Hi –

Here's an updated agenda with some materials embedded for our conversation with Karen on Monday. I think you're both good but if there's anything missing please let me know and I'll include (Maria, I'll add the calendar and soft launch stuff as soon as I get the updates).

I am going to email this to Karen later this weekend – if I send it now she'll probably end up going through everything and I'd like to give her a bit more time to relax.

Thanks for covering duties the past two weeks – much appreciated! Hope you have a lovely weekend.

P.
