Hi Cindy

Briefing notes and QAs for the document have a hard deadline of Friday.

We've put together the following director-approved notes and QAs for your review:

- Pensions (each plan separate note + QAs)
- ERM Briefing Note and QA
- Modernizing Financial Management Tools QA

I'll add this to your [to-do list tracker](#) and try to fit in some desk time for you to review.

Let me know if any Qs!

Thanks
Sarah
