Hi Cindy

Can you please have a quick review of the attached revised BNs for the budget briefing book.

Thanks

Sarah,
It would be best if the changes in the attached were reflected in the briefing materials. You will note that the changes reflect Expert Panel Related items. Nadine

Hi Sarah,

I made a comparison in the attached of your final version and the version that I have with the wording and/or edits that were added after Nadine and Alicia's review.

Perhaps Cindy needs to take a final look at the added wordings tracked in these two documents.

Thanks,

Patricia

Hi Patricia,

Attached a tracked changes version from the ones that Nadine indicated were ok for

Cindy to review.

Please review and let me know if any concerns.

Hi Sarah,

I noticed some of the wording that were put through from Alicia and Nadine's review may not have made it in to the attached final versions you sent out on Friday. Just wondering if these reviewed by Cindy were also the versions reviewed by Alicia and Nadine or if I should include the wordings/edits from their review in the final version?

Thanks,

Patricia
