Fyi – Patrick wants to give the DMO a heads up that we are providing this to the FAO. Can you put this on a follow up list with him so we don't forget about sending it. We should try to get it to the FAO by Wednesday of this week.

Thanks,

Hi, I think this works – we should share to help them understand.

Thanks

Karen -- This is a deck we had put together in the fall to explain pension accounting – I think it answers the FAO's questions from our call earlier today. Any concerns with sending this to them?
