Hi Sarah,

Enclosed are two draft slides limited to the topic of PSAS, the provincial CFS and the application of rate-regulated accounting. Add'l slides would need to be added by OPG and IESO with respect to accounting for the financing entity and the 2016 AFS respectively.

Hi mark

To help with the slide deck, attached the version with the extra slides on rate regulated accounting and example, as well as the final briefing deck that was used (last year's external doc pw)
