Hi Cindy,

Per your request, here is the email from TBS Comms from last night.

There were three emails, so I have also attached the other two emails at the end.

Thanks,
Shannon

Subject: FINAL binder - SCOE

Hi, all,

Thanks for your support and patience while we worked to land the final decisions and material to support attendees at SCOE. Your input has been invaluable, and we've landed a really strong package of material. Working from the Table of Contents shared on Friday and attached here with minor revisions, here are the documents that have changed since Friday's drafts, and which should be replaced in your executives' binders:

TAB 1 – no change; Friday contents stand
TAB 2 – no change; Friday contents stand
TAB 3 – no change; Friday contents stand
TAB 4a –no change; Friday contents stand

TAB 4b – new item attached (list of TBS officials and member Qs)

TAB 5 – new item attached (scope “what’s in, what’s out”)

TAB 6 – no change; Friday contents stand

TAB 7 – Member Qs – **will be shared under separate email**, please replace Friday’s contents upon receipt

TAB 8 – new items attached – topic-specific QAs (files begin with “SCOE_QsAs”), please replace Friday’s contents

TAB 9a,b,c – no change; Friday contents stand

TAB 10 – no change; Friday contents stand

I have also attached the logistics overview, which DMO provided earlier this evening. No changes over that version, simply sharing here so you have everything in one place.

Thanks again, and feel free to contact me with any questions.

Regards,
