And you don't need to attend for the financial instruments part of the meeting....

Am I selling you on it?

Ok -- I'm not expecting that you would have to do any prep for the meeting -- just show up and be there to chime in -- we'll take care of the deck, etc.

For the Fair Hydro Plan, I'm happy to lead the presentation, but would like you there to chime in on IESO issues that I'm less familiar with or if questions are asked regarding the role of IESO in general (e.g. how the market settlement works, etc.)

Does that work?

Cindy
