Subject: FW: Indemnity Draft Briefing Note

Hi

Attached for your information is a draft briefing note on Ministry of Energy's s. 28 (FAA) request for approval of indemnities for OPG and IESO. A number of clarifications have been requested from OPG/IESO mainly related to the scope of the indemnity request.

This draft note is also intended to facilitate coordination as necessary in various ongoing discussions such as IESO/OPG indemnities, provincial guarantees, PILs exemption. I'm not sure if the indemnity may also have implications for accounting treatment.

Comments welcome.
Bruno
