Sarah,
I would expect that the PASC deck, and MO deck would include tax #s? Please clarify expectations. n

The deck only talks about expense. The expense is same for both auditors and internal purpose versions.

The aboriginal affairs variance changed to \$30M from \$29M. I wasn't sure about the reason, likely due to rounding, and left variance number on slide 4 unchanged.

Thanks.

For PASC, let's use Brian's numbers (\$.8) as he will be speaking to it. n

Wendy,

Use this slide and replace the updated numbers.

Sarah/Nadine,

Which CIT numbers you want us to use? With \$800M placeholder or interim (OAG) version?

Thanks,
Bharat

Hi Wendy

Attached is the slide deck from the previous PASC meeting on July 6, perhaps you can use as a base if there isn't one started already.

Thanks
Sarah
