Thanks so much. I'm sending back with one minor change per Maria's feedback, which is to make the 'child care' item bold (and in italics).
I've also attached the latest scalables deck (removed the double coma on one of the slides).

Thanks
Nina

Hi everyone,

Please find attached the updated version of the levers worksheet reflecting the changes we discussed.

Thanks,
Martin

Please see attached the version of the placemat from OB-MOF (tracked to BPC last week).

I'm also attaching our latest materials.

Thanks

Nina
