**Subject:** Material for Joint Minister Fiscal Briefing

Good morning

Please find attached the materials we propose to use at the Joint Ministers' briefing on Fiscal tracking this afternoon at 4pm. It reflects edits coming out of the DM's briefing late last week, and we've also added, for the first time, some revenue updates on the dashboard (see bottom of second side under the risks).

It's been shared with our DMO/MO this morning – I'm assuming they will connect with your DMO/MO (but not sure).
