Mark – did you have a chance to connect with OPG on this?

Also -- do we know when the results of the OEB appeal will be available re: Hydro One?

Thanks,

Hi Cindy,

See the attached note.

Happy to discuss. I'm away tomorrow but back on Tuesday. John and Bruno are available I believe.

Hi Ron,

Brian Lewis has included a key negative risk in a revenue deck used at a budget prep meeting this morning that is called "OPG switch from accrual based to cash based accounting for pension and OPEBs" – the amount for 2018-19 is \$600 million.

Brian mentioned that this issue came from you. We have no insight into the item. Can you provide some additional details on what this is.

Thanks,

Cindy
