Cindy,
FYI. I have reviewed the document and think that the section on minimum ER contributions may need some additional attention. Please advise if you would like to set up a call with E&Y to discuss, as well as provide direction on next steps w.r.t. OPSEUPP.
At this time, Uros' work on the panel is also complete, so he will be able to participate in a discussion.
Thanks.
Nadine

Subject: OTPP - accrued benefit asset recognition

Hi Nadine,

Attached is a draft version of our letter related to the accrued benefit asset recognition (i.e. asset ceiling analysis) for OTPP for your review. Let us know if you have any comments or concerns. We welcome a meeting/call to discuss.

Upon confirming the letter is satisfactory, we will follow up with a similar letter for OPSEU.

Regards,
Christina
