Hi Tara,

I've added the supplementary report link in both English and French to the document.

Let me know if there are any issues.

Hi Jeroen and Tara,

This is just a reminder for the PAEAP posting linked to in the budget going up with the budget (or just before) tomorrow. Everyone is in the loop and the document was coded/checked weeks ago, but I'm away Thursday so I wanted to make sure everyone was grouped in one email with the appropriate links just in

case there's any madness.
