Hi Helen,

Can you please review the attached and let me know if there is anything we need to flag on this rate mitigation deck by EOD today?

Thanks  
Sarah

Hi All,

You may have received at the staff level. Please note the timing to send along comments by EOD today. Can folks please filter their comments up through the DMO and we can pass them along?

Thanks!

Hi,

See attached and below. We are aiming to turn around a new version of the deck, incorporating any comments your ministries might have before major projects on Thursday. As such, could you please pass along your comments by end of day tomorrow?

If there are questions, I'm happy to discuss.

Thanks,  
Keley

Hi,

Attached is a draft of the rate mitigation deck. This is tracking to major projects on Thursday for a preliminary discussion. As you can see there are a number of initiatives that have fiscal implications so your input and comments would be appreciated. Keley can coordinate with your EAs. I understand that Andrew T. plans to share with PO/your MOs.
