Subject: Protection Agreement revised drafts comments/questions

Please find attached a documents setting out MOF Legal's summary and questions from our review of the revised drafts of the Protection Agreement and Process Agreement.

We have reviewed Torys' Nov. 24 markup and also Blakes' Nov 28 markup and based the questions and comments on those drafts. The numbering of the sections is from the Blakes Nov 28 markup. I have attached our comments, as well as the relevant blacklines to this email.

Please review these comments, including the questions and decision points.

Perhaps we should have a meeting tomorrow with this group (including the appropriate Energy clients) to discuss this draft. Can the OFA can set up the meeting/call?

Best
Toby
