Hi Helen,

I sent this deck to Scott and Gadi this morning. It's not intended to be widely distributed at this point. However, it would be helpful if I could get some initial thoughts, especially from an accounting perspective.

Hi,

Attached is a rate mitigation idea we've been asked to work on related to financing the global adjustment. Ideally, it would provide immediate rate relief without having a fiscal impact. The amounts are scalable but we've provided some illustrative numbers.
