Hi Nancy, Dave,

Please find attached, a short note to support the discussion on the Provincial Guarantee at the 11am meeting tomorrow with the SoC/CO/PO.

Dave, I'm copying Keley so that she can share with her Energy colleagues.

Thanks, Anna

Yes, we are just drafting it now (we had a call at 10:30 – things are still in flux with the guarantee). I'm hoping to have Gadi look at the note around 2pm or sooner.

Hi Dave

See below. I want to make sure that the one pager from OFA/MOF on the provincial guarantee is on your radar. Thanks

Hi Boafoa,

We're still finalizing materials for tomorrow's meetings, incorporating edits from our MO. We should have something to share later today.

Just for clarity there will be two decks from Energy (one on Quebec and one on the LTEP price curve) and a one pager from the OFA/MOF on the Provincial Guarantee. We haven't seen a draft of the one pager yet.

Thanks,
Martin

Good morning Hillary

Just want to confirm that we will receive material for distribution for tomorrow's energy related meetings. You will notice that the meeting time changed. These changes were requested by Andrew Bevan's office to accommodate his schedule. Thanks
Boafoa
