Hi Cindy,

Just to let you know, a meeting from 10:00-10:30am (teleconference) came into your calendar for this morning; subject is Fair Hydro – Change of Law Protection Agreement Sign Off and it is from Brett Saulnier.

The invite has a larger number of invitees and both you and Mark on the invite, although it looks like just the two of you from TBS. I did recognize a few names from OFA (Gadi Mayman and Ken Kandeepan) as well as from energy (Steen Hume and Daniel Cayley)

Also, it currently conflicts with the first half hour of your MOF Audit Committee meeting.

Thanks,
Shannon
