Hi Lynn, Mike and Kyle, please find attached the most up to date version of the communications package for the "no opinion" scenario.

This version reflects comments from our meeting this afternoon, as well as Lynn's initial review.

As part of the updates I've built out Minister Sandals' statement for use during the technical briefing. This appears at the end of the package.

Copying Nadine as well for fact checking purposes.

Happy to take any comments you may have.

Thanks
Bryant

Thanks Alicia, I'll incorporate these changes now.

I'll also send the group an updated version of Minister Sandals' statement for use during the technical briefing. Just want to make sure it's consistent with the edits to this package first.
