Good morning, this is the latest CO note on electricity. I will review later this morning or early this afternoon but please let me know if you have any comments.

Thanks

Hi,

Here is the updated draft of the CBN, still a lot of placeholders but would value your comments. There are a few places that if you think you/cindy/team can, please update/edit/delete language based on your expert opinion. We have flagged some areas we for sure need help with the language.

I am happy if you want to share this obviously with Cindy but if you need to go broader, that's fine, just within a small range if possible.

Thanks!
Martha
