Hi Sarah,

Please see attached comments provided by TBS communications on the FSD&A.

Nadine and Nadine will be away on Monday. I'm hoping to get these comments addressed and reflected in the Tuesday's distribution.

Can you please follow up with Cindy?

Thanks,
Alicia

Alicia,
We certainly won't be highlighting any of the suggestions in the 'Introduction' of the public accounts. In fact, given that Ontario chose not to adopt line by line for the past several years on what were felt to be justified reasons in previous years, to suggest this is superior reporting might not go over well. Hi Mark and Nadine,

We received some comments from the TBS communication team regarding the BPS line-by-line presentation change and accounting policy change for pension. We just wanted to get your thoughts on it and to see if any changes are needed. Please see attached for their comments.

Thanks,
Vanessa
